

Acceptance Testing - UI Screenshots

This document serves as a record for the User Acceptance Testing (UAT) phase, specifically documenting the UI appearance for key features. Screenshots of the User Interface (UI) are included to verify that the application meets the design and functional specifications as intended for the end-users.

The screenshot shows a news website interface. At the top, there is a navigation bar with categories: All, Technology, Business, Science, Sports, Environment, Politics, Health, Entertainment, and Crime. A search bar is also present. Below the navigation bar, the title "Today's Headlines" is displayed, followed by the subtitle "AI-powered news summaries • Real-time updates • All the news that matters". It shows the date "Saturday, November 29, 2025" and "Live Updates".
Featured Stories:
1. **Health**: A photograph of people outdoors near an ambulance. The headline reads: "India's long battle with lymphatic filariasis: progress and the...".
2. **Business**: A portrait of Dr. Aashish Chhabra. The headline reads: "DR AASHISH CHHABRA: MANAGING DIRECTOR, HEAD-ORTHOPAEDICS, JOINT REPLACEMENT & SPINE SURGERY, DAVV HOSPITAL & HEALTHCARE". Below it, another headline reads: "Global geopolitics impacting health of India's medical devices sector".
3. **Health**: A graphic illustration featuring various food items like milk, oil, sugar, and chips. The headline reads: "India has a new health concern with rural consumers...".

Global geopolitics impacting health of India's medical devices sector

Global geopolitical tensions are affecting India's medical devices sector, impacting exports and imports. The sector is facing challenges due to the ongoing Russia-Ukraine conflict and the US-China trade war. This has led to increased costs and reduced demand for medical devices.
